SUBJECT: PHASE III ANP COL - BIODATA FOR LEAHY VETTING, PART FOUR OF SIX

1. (U) In order to comply with Leahy requirements per reftel, post is forwarding the names and biodata of 355 Afghan officers selected to serve as Colonels in Phase III of the Afghan National Police (ANP) rank and reform process. The United Nations Mission in Afghanistan (UNAMA) has vetted these individuals and has found no credible evidence of human rights violations. Post is completing its review of these individuals and requests, in the interest of time, that the Department begin its review. We will inform Department when our review is completed and provide any information concerning credible evidence of human rights violations relevant to any of the individuals listed, should such information become available. This is the fourth segment in a series of six cables containing the ANP colonels.

2. (U) Officer data is as follows:
